# PANINI'S FOOTBALL 88

**CONGRATULATIONS!** You are now the proud owner of the latest edition of Panini's famous Football Sticker Album!

Panini's Football 88 is the biggest, the most brilliant and the most interesting collection of its kind available anywhere! And you have many weeks of great fun ahead of you as you collect the stickers, swop doubles with your friends, and watch the album grow into a fascinating and colourful souvenir of the 1987-88 football scene — one you'll want to keep for ever!

Panini have been producing sticker collections for more than 25 years, and our collections are the only ones to have the full backing of The Football League, The Scottish Football League and the players' unions in both England and Scotland. Now with that kind of support, you can be sure that the collection you are about to start really is the absolute best!

## THE FOOTBALL LEAGUE

Founded in 1888, it started with a membership of 12 clubs. The League has its headquarters in Lytham St Annes, near Blackpool, and now runs a League competition covering 92 clubs in four divisions, as well as organising the League Cup, the Full Members' Cup and the Associate Members' Cup.

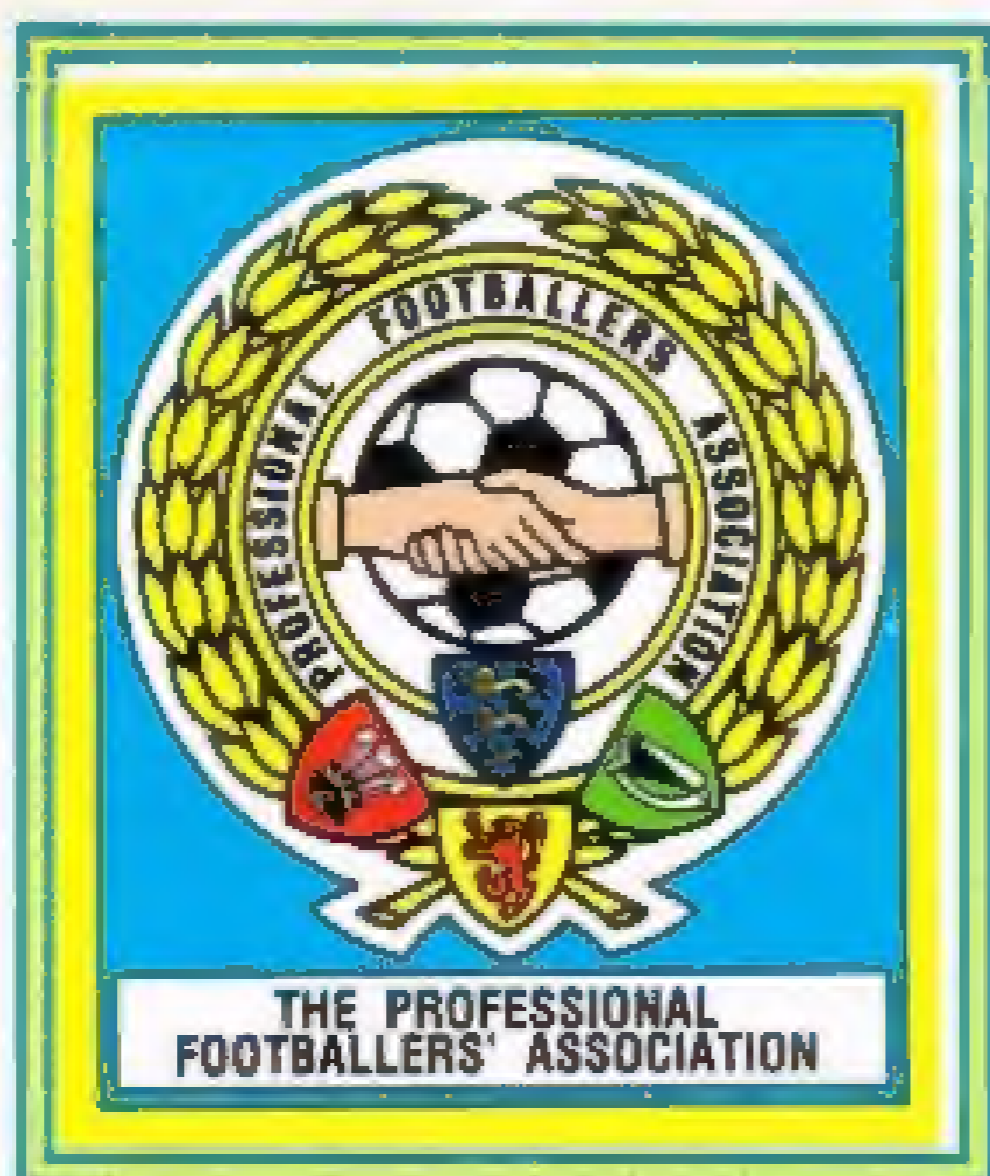

## THE SCOTTISH FOOTBALL LEAGUE

Founded in 1891, with an original membership of 10 clubs, the Scottish League is based in Glasgow and now operates a League of 38 clubs split into three divisions, as well as a League Cup competition which takes place early in the season.

## THE PROFESSIONAL FOOTBALLERS' ASSOCIATION

Founded in 1907 as the Players' Union, the PFA has its headquarters in Manchester, where a small full-time staff look after the interests of about 3000 professional players in England and Wales. Each club has a PFA delegate on the playing staff to represent his team-mates.

## THE SCOTTISH PROFESSIONAL FOOTBALLERS' ASSOCIATION

The Scottish PFA was formed as an independent organisation just after the Second World War. But in 1975 it amalgamated with what is now the General, Municipal, Boilermakers and Allied Trades Union, and now operates out of Union headquarters in Glasgow, with about 700 members in Scotland.

# GUESS WHO!

Here are some of your favourite players, but we've used a special photo technique to make it difficult for you to recognise them! The captions give you plenty of clues, so see if you can work out who the players are. Of course, if you're really stuck there's no need to worry — when you collect the stickers for this section, all will be revealed!

# PANINI IN FOOTBALL

Panini Stickers has been established in Great Britain since 1977, and in the last 11 years forged strong links with the football world. Not only do we produce the biggest, best and brightest football sticker collections, but we are also involved with a number of famous football clubs in sponsoring their family enclosures. We hold swap shops at the clubs and at Bobby Charlton Soccer Schools, and the Football Leagues and PFAs regard our sticker albums as the only ones they are prepared to officially recognise!

The Professional Footballer's Association annual awards dinner is one of the most important nights in any footballer's year. And on that night all the players from every club in England get together and celebrate the Player of the Year and the Young Player of the Year!

For many years, Panini Stickers has had close links with the English PFA and in 1987, for the first time, we became sponsor of the PFA Awards night, held in a top London hotel.

During the evening every player was presented with Football 87 albums and stickers, and they could be seen admiring their own pictures and debating who should be in next year's album!

Young Player of the Year was Tony Adams, the Arsenal centre back. And it was no surprise when the Player of the Year was announced - Clive Allen the prolific Spurs goal-scoring machine!

# PANINI FAMILY ENCLOSURES — FOOTBALL, FAMILIES AND FUN!

**Question:** Where is the most exciting place young soccer fans can go to watch their favourite sport?

**Answer:** A Panini Stickers Family Enclosure!

Many top clubs now have an area of their ground especially reserved for families, so that Mum and Dad can go along to the match with their family and watch in safety and comfort.

Panini are the official sponsors of family enclosures at some of the biggest and most famous clubs in Britain:

Arsenal • Aston Villa • Everton • Derby County  
Manchester United • Plymouth Argyle • Southampton • Watford  
West Ham United • Heart of Midlothian

At all Saturday home matches you'll find a Panini Swap Shop where you can meet new collectors to swap with, and also swap with the Panini Swap Team. Throughout the season there are lots of free gifts, competitions, prizes — even special quizzes designed to test your knowledge of the sporting scene

Bobby Charlton and the Panini Team:

⚽ Panini has been associated with the Bobby Charlton Sports School for some time — you can enter our exclusive competition in this album. What does Bobby Charlton think of this?

'The world's best football stickers and the world's best sports school — an unbeatable team!'

*Bobby Charlton*

⚽ At Aston Villa, there's a luxurious Panini Family Clubroom to make you extra comfortable, while at Hearts the family activities are organised by famous Scots star, Sandy Jardine, giving you the chance to meet him and his team mates in the Family Enclosure. The latest club to sign up with Panini is Arsenal, giving the Junior Gunners their own touch of Panini magic

Heart of Midlothian — on our side

Graham Taylor — Aston Villa's manager

⚽ 'One topic that every football manager agrees on is that the future of football lies with family involvement at matches

Having seen, whilst I was at Watford, just how much fun families can have at their local league club, I know you will not be disappointed when you visit the Panini Family Enclosures around the country

At Aston Villa your visit is bound to be an enjoyable experience with a superb family clubroom to relax in, competitions, free draws, the Panini Swap Shop, quizzes, free goody bags and visits from the players.

See you there.'

*Graham Taylor*

Panini and Aston Villa — a great partnership!

Arsenal's Kenny Sanson

⚽ 'Arsenal and Panini make a great team! The best club in the world, and the best sticker album in the world. So, don't forget, visit the Panini Family Enclosure at Arsenal this season — and watch the team and me, at the same time!'

## THE FOOTBALL LEAGUE CENTENARY MATCH

The celebrations started on 8 August 1987 at Wembley, when a Football League XI, managed by Bobby Robson, took on a Rest of the World XI, managed by Terry Venables and featuring some of the greatest names in world soccer today, including the brilliant Diego Maradona, captain of World Champions Argentina.

Diego Maradona at the Centenary match

The Football League XI and the Rest of the World XI - August 1987

## THE PLAYERS

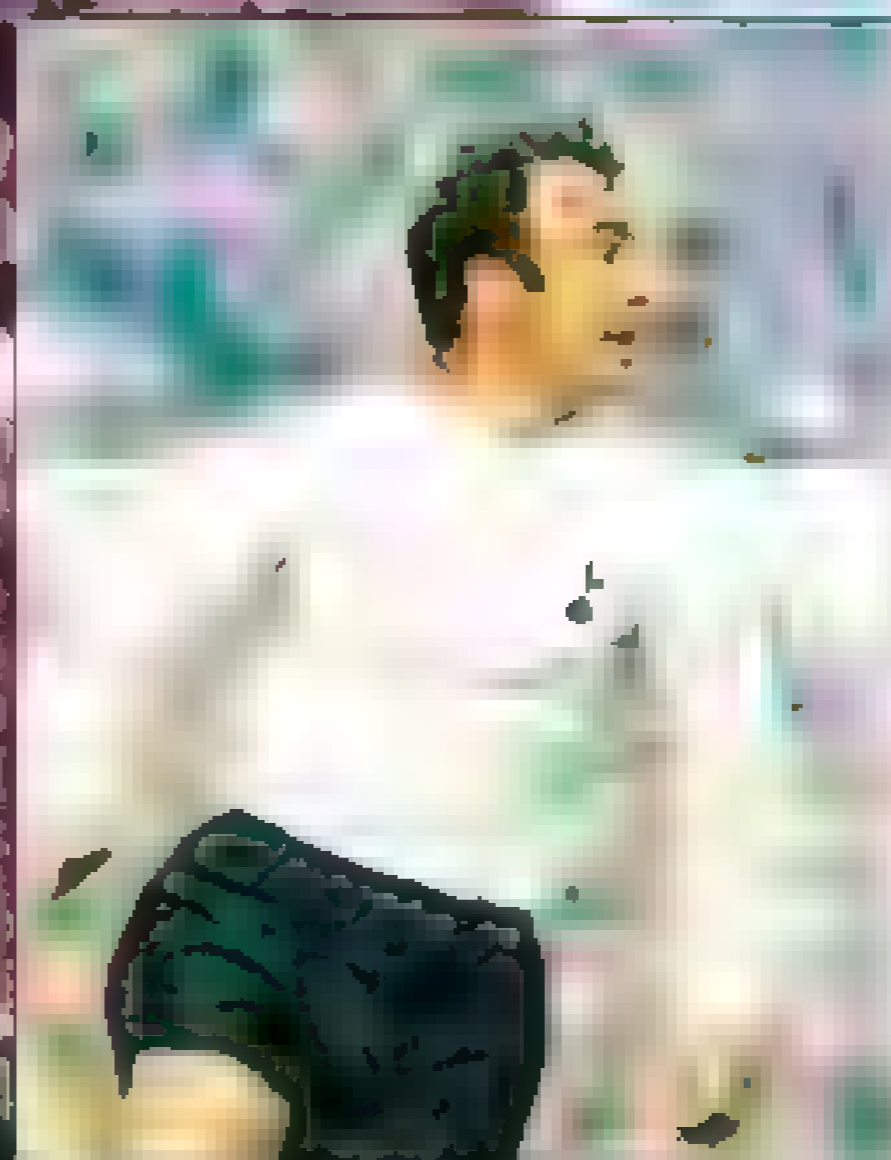

So many great players have graced the Football League during the past century, and we've picked three of them to feature here. In the 1920s, the goalscoring hero of Merseyside was Everton's Dixie Dean, who in 1927-28 scored 60 League goals - still the record and unlikely ever to be beaten. In the sixties and seventies, two of the names which stood out were Jimmy Greaves and George Best. Greaves was a goalscoring dynamo who excited the crowds during spells with Chelsea, Spurs, West Ham and AC Milan, while Best's electrifying ball skills thrilled the Old Trafford fans - and everybody else!

HERBERT CHAPMAN

## THE MANAGERS

There have been many great managers, but amongst the giants are Herbert Chapman, Brian Clough and Bob Paisley. Chapman, seen here with Huddersfield's 1924-25 team, led the Yorkshire club to three successive League Championships between 1923 and 1926, but even before the third title had been won, he moved to Arsenal and repeated the hat-trick between 1933 and 1935. Brian Clough also won the League title with two different clubs, Derby in 1972 and Forest in 1978, and guided Forest to European Cup victories in 1979 and 1980. Bob Paisley is the most successful manager in post-war soccer history, having managed Liverpool between 1974 and 1983, during which time the club won six League titles, three League Cups, three European Cups, and the UEFA Cup once.

## THE CLUBS

As well as great players and managers, there have, of course, been some great teams, and among the greatest are Manchester United, Spurs, Arsenal and Liverpool. Featured here are Manchester United's famous "Busby Babes" of 1956-57 – the great young team that was decimated by the Munich air disaster of 1958 – the brilliant Spurs Double team of 1960-61, the powerful Arsenal squad of 1970-71 – another Double team, and Liverpool's 1985-86 team, which won the League title and FA Cup in Kenny Dalglish's first season as player-manager. And we shouldn't forget Preston North End, who won the Double in the League's very first season – 1888-89, and of course the pre-War Arsenal and Huddersfield squads managed by Herbert Chapman.

## SCARBOROUGH

In modern times, it has always been difficult for clubs to join the League from outside, but all that has changed now, with automatic promotion for the top club in the GM Vauxhall Conference at the end of each season, at the expense of the Fourth Division's bottom club. The new system was introduced for 1986-87, and Scarborough became the League's newest members in this, the Centenary season.

## 1986-87

SCOTTISH LEAGUE  
CHAMPIONSHIP TROPHY

**SCOTTISH LEAGUE  
CHAMPIONSHIP TROPHY**  
Current holders Rangers have won the title 38  
times since the first season of 1890-91

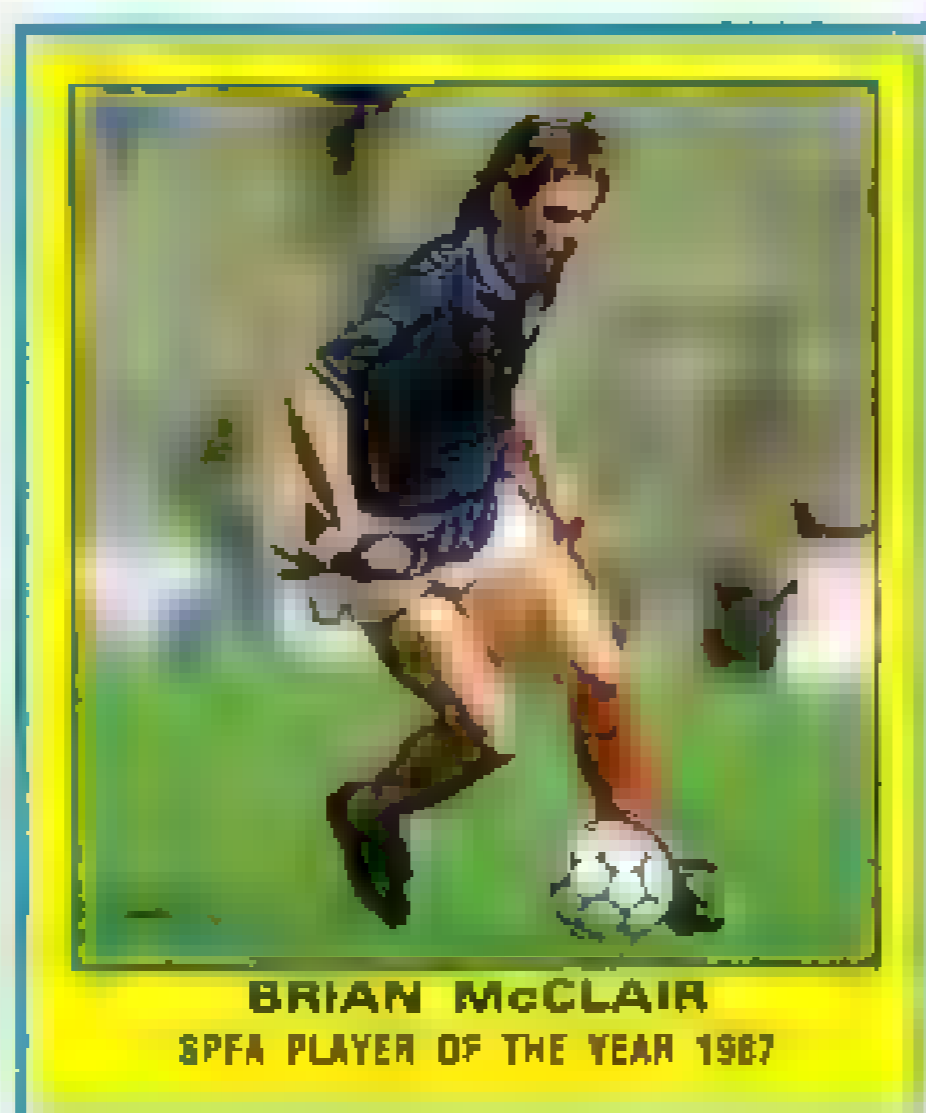

RANGERS

**RANGERS**  
One of the two really great Scottish clubs, Rangers won  
the double of League Cup and League Championship in  
1986-87 with the help of three Englishmen — Terry  
Butcher, Graham Roberts and Chris Woods

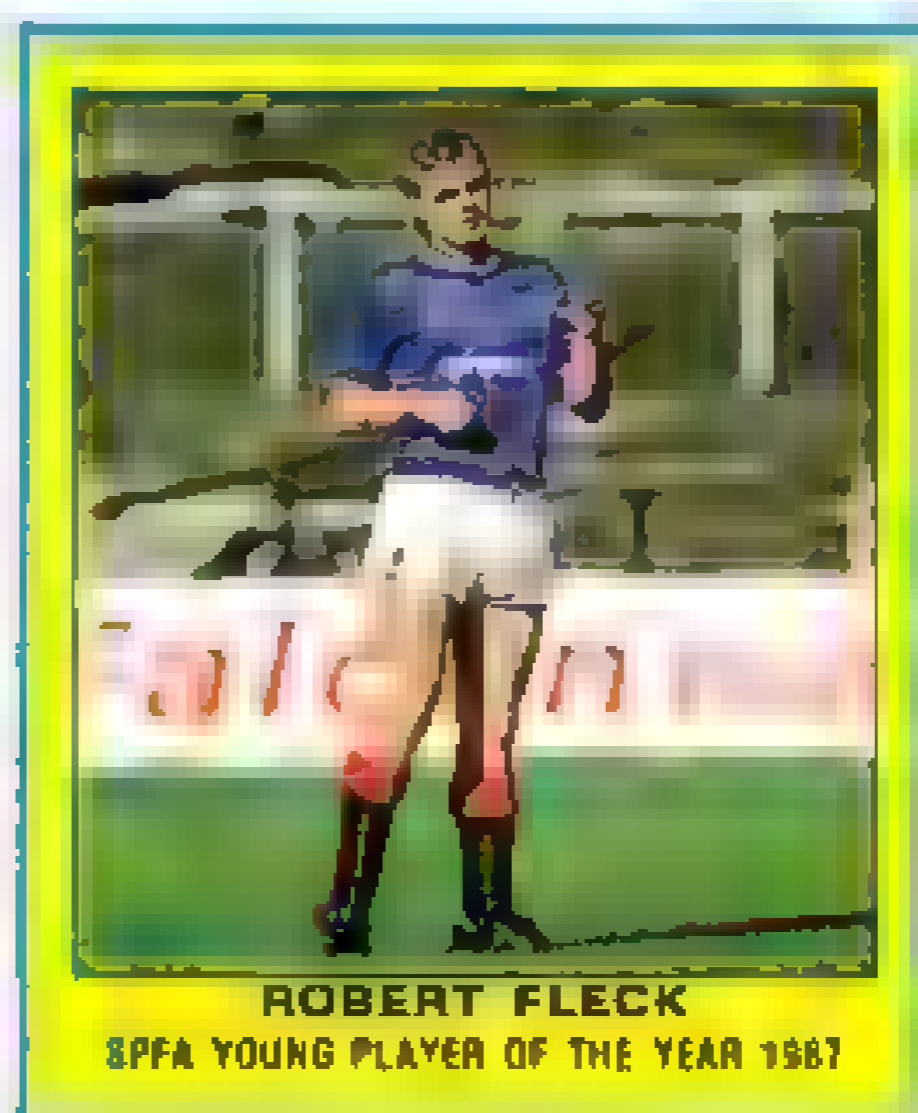

SKOL CUP

**SKOL CUP**  
This is the Scottish League Cup, and current  
holders Rangers won the first final in 1947.

BRIAN McCLAIR  
SPFA PLAYER OF THE YEAR 1987

**SPFA PLAYER OF  
THE YEAR 1987**  
BRIAN McCLAIR Celtic's top  
goalscorer for the past four  
seasons notched 41 goals in major  
competitions for his club in  
1986-87 and picked up his first  
full Scottish cap into the bargain  
Manchester United snapped him  
up in the summer

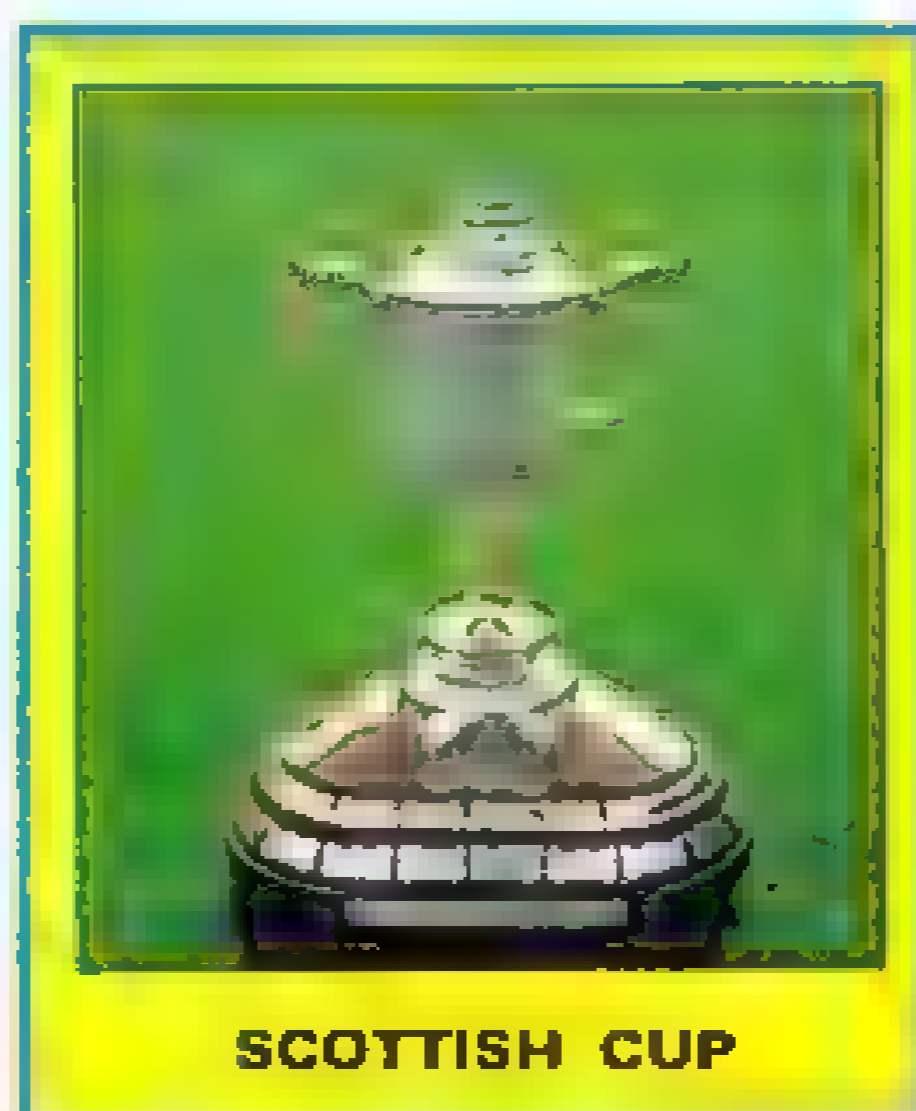

ROBERT FLECK  
SPFA YOUNG PLAYER OF THE YEAR 1987

**SPFA YOUNG PLAYER  
OF THE YEAR 1987**  
ROBERT FLECK Robert scored  
19 League goals for Rangers  
during their Championship  
season, and was also honoured  
with his first three Scotland  
Under-21 caps. Certainly seems  
to be one to watch out for during  
the 1987-88 season

ST MIRREN

**ST MIRREN**  
Nobody gave the Saints much chance in the 1987  
Scottish Cup final. Opponents Dundee United had  
already reached the UEFA Cup final, but in extra time  
the Saints' legs were fresher and Ian Ferguson scored the  
winner

SCOTTISH CUP

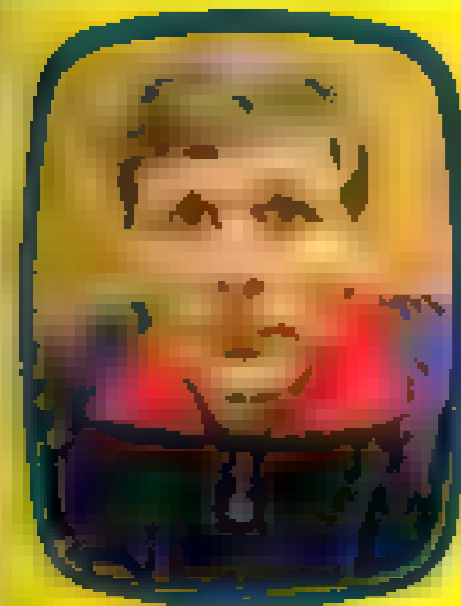

**SCOTTISH CUP**  
This competition dates back to 1874. The  
record number of wins stands at 27, by Celtic.

MORTON

**MORTON**

and so far their only major honour was the Scottish Cup  
as long ago as 1922. This was their third First Division
